

It is very heartening to inform all KR family Members that for the first time our own employees, Shri D R Sawant, Shri Kishor Raut, and Shri Minaz Zari had made a ECO-FRIENDLY GANESHA at Konkan Rail Vihar, Nerul during the Ganesh Utsav 2013.

With the blessing of Lord Ganapati, our Eco-Ganesha has received “**dna Eco Ganesha Awards 2013**” on 25th Sept. 2013. This is one more stepping stone towards success and KR’s Commitment to Excellence.

I Congratulate the team members of KR Ganesh Utsav Committee, Nerul and all those who have made this possible!
